## **Current Retina Journal (Güncel Retina Dergisi) Copyright Transfer Form**

On behalf of all authors, and in my capacity as the corresponding author of the manuscript, I hereby warrant that:

- The submitted manuscript is the original work of the author(s);
- All authors have made substantial scientific contributions to the work and are prepared to take public responsibility for its content;
- I have been duly authorized by all authors to transfer the copyright and related financial rights in the accepted manuscript to Current Retina Journal (Güncel Retina Dergisi) and to enter into this binding agreement on their behalf;
- All authors have reviewed and approved the manuscript as submitted;
- The e-mail and postal addresses of all authors have been correctly entered into the Current Retina Journal (Güncel Retina Dergisi) Journal Manuscript Submission and Evaluation System;
- The manuscript has not been previously published and is not currently under submission or consideration for publication elsewhere;
- The text, illustrations, tables, figures, and any other materials included in the manuscript do not infringe any existing copyright or other rights of any third party;
- Upon acceptance for publication, the authors transfer to Current Retina Journal (Güncel Retina Dergisi) the copyright and related financial rights in the manuscript, including, but not limited to, the rights of reproduction, publication, distribution, representation, printing, and electronic transmission;
- Following publication, the article shall be made available under the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0);
- Under this license, users may copy and redistribute the published article in any medium or format for non-commercial purposes only, provided that appropriate credit is given to the author(s), the article title, Current Retina Journal (Güncel Retina Dergisi), volume and issue information, year of publication, and publisher; a link to the CC BY-NC-ND 4.0 license is provided; and any permitted changes are clearly indicated;
- The published article may not be used for commercial purposes without prior written permission from Current Retina Journal (Güncel Retina Dergisi);
- Modified, adapted, translated, remixed, transformed, or derivative versions of the published article may not be distributed without prior written permission from Current Retina Journal (Güncel Retina Dergisi);
- No additional legal terms or technological measures may be applied that would legally restrict others from exercising the rights permitted under the CC BY-NC-ND 4.0 license.

As the corresponding author, I further warrant that Current Retina Journal (Güncel Retina Dergisi) and the Journal Editors shall not be held liable for any copyright claims or legal actions brought by third parties, and that I shall be responsible for such claims or actions where they arise from the submitted manuscript. I also warrant that the article contains no unlawful statements; that no unlawful method or material was used during the research; that all necessary legal permissions related to the research were obtained; and that the research was conducted in accordance with applicable ethical principles.
